## Advocating for all Indiana Retired Educators

### A Message from the President-Elect

Happy Spring from Wabash. It seems that this winter has lasted forever since we experienced below zero temperatures, above 50 temperatures, deep snow, and flooding rain all in the same week. What a winter!

I attended meetings with Tom in Florida during the severe cold that took place in Indiana during January.

I filled in for our President who was unable to attend. It was a real pleasure meeting with our members that have taken up residence in Florida, as well as seeing some of our "snow birds." Thank you for your great hospitality. We attended a first-time meeting in the Melbourne area. This group was very enthusiastic and interested in what was going on with IRTA. They're already excited about next year's meeting. We then proceeded to Fort Myers and found the group there was very inquisitive and had many questions for us. Sarasota was another very good meeting with many members showing excitement. The last meeting was at Leesburg where we answered many questions and presented what is going on with IRTA. The attendance was down a little from previous years at a couple of the meetings but overall, we had good attendance and a wonderful time bringing information about IRTA to our Florida members.

Our Legislative Brunch is scheduled for the 2nd week of April. Please put this on your calendar and plan to attend. It is a time that we can meet at the State House in Indianapolis and talk to our legislators about IRTA issues. This is a time that we can show that we are concerned and express our opinions regarding a COLA and a "13th check" with a \$50 increase. We will be having bus transportation to and from the IRTA office to the State House once again this year. Call the office to get your name on the list for this exciting day. Also, inform your Legislator that you plan to be there and ask that he/she plan to meet with you.

July will be the beginning of some of our changes this year. Instead of having a Fall Workshop this year, we will be having a Leadership Workshop in July. This workshop is for everyone that your local considers to be a local leader. We will be having two speakers from the National Retired Teachers

Association (NRTA) who will present information to help your local thrive. We will also be presenting information specific to IRTA. Watch your mail/email for this exciting news coming out very soon from the office. Check with your local leadership for information about this amazing meeting. We will be having identical workshops in three different locations. You will be able to attend the one that is most convenient for you. Hope to see all you leaders there.

The leadership of IRTA is very busy working for you. We strive to improve your retirement, but we cannot do it alone. There are only 16 of us on the board. We need your help and concern because this is YOUR association. Don't be afraid to step up and volunteer to be a leader in your local or state association.

### Executive Director's Message

As I sit down to write this article we are into March and the basketball tournaments have begun and it is still winterlike. The second half of the legislative session we will be concentrating on getting an increase to HB 1139 (13th Check); otherwise the session has been relatively quiet for us. The legislative brunch will be at a good time as the session will be

nearing the last couple of weeks and financial decisions will need to be finalized.

Our Florida trip was very positive with an additional stop in Melbourne this year. We would like to add an area between Ft. Lauderdale and Miami if anyone would be interested in hosting the event. It is always great to see our Florida members and snowbirds and update them on what is going on in Indiana and the legislature. Our membership numbers continue to grow in Florida. We even add a few new members by guests that our members bring.

The office is getting materials and information together for our State-wide committees and their meetings in April that coincides with our Legislative Brunch on April 9. Their work will culminate at the Representative Assembly (RA) on June 12th. This year we will be back at Banquet Center.

We are very pleased our membership numbers are up this

## Foundation News

Linda Morris

As an IRTA member, you have a great way to make a difference in the teaching profession and in your communities. As a partner of the IRTA, our Foundation promotes the welfare of retired teachers, supports those who are currently teaching and encourages people to enter the profession.

Your Indiana Retired Teachers Foundation Board is excited about 2019. As you may know, IRTF is working to establish an annuity to become self-funding for the IRTA Educator Scholarships, Active Teacher Grants and the “A Hand UP” initiative. These initiatives grant approximately \$40,000 annually. Through the establishment of an IRTF annuity these funds will be generated annually on the earnings of the annuity. This will allow IRTF to grow the teacher support and initiatives throughout Indiana.

Terry Johnson, a representative of the Indiana Philanthropy Alliance, met with the IRTF Board and Tom Mellish on November 26, 2018. Terry provided the Board a set of guidelines to utilize in planning and establishing an IRTF annuity. We will be providing the details of the proposed plan for establishment of the annuity at the June 12 IRTA Representative Assembly.

If you receive funds from an IRA, you can donate to charitable organizations without the donation being counted as taxable income when it is withdrawn. The Indiana Retired Teachers Foundation is a 501 c(3) organization, and will gladly accept your contributions as we work to fulfill our goals.

We want to remind members of the IRTF Scholarship program! awards up to ten \$2,000 scholarships to college juniors and seniors studying to become teachers in an Indiana college or university. That doesn't change. In the past the applicant had to be a child, grandchild, niece/nephew, legal dependent or spouse of a member (associate of the Indiana Retired Teachers Association) and also a TRF member. Now the applicant need only be “sponsored by an IRTA member.” As the applicant's sponsor, the IRTA member will supply his/her personal info and IRTA membership number on the bottom of the application's page one. So now if you would like to sponsor a former student, neighbor, friend's child, friend or anyone you feel would make an outstanding teacher, you can! The Foundation Board's goal is to award more than seven scholarships state-wide, as we did this year. The current scholarship application can be found at [www.retiredteachers.org](http://www.retiredteachers.org). Click the “Foundation” tab at the top of the opening page, and then the Scholarship tab at the left in the red block. Applications are due April 26, 2019.

REMINDER: Providing IRTF donations and memorials is a great way for members to support the IRTF initiatives.

# Vigo County RTA 65th Anniversary

Vigo County celebrates their 65th Anniversary in style this past February at the MCL in Terre Haute. The mayor of Terre Haute proclaimed it Vigo County Retired Teachers Day in front of TV cameras. Pictured are the past-presidents of Vigo County RTA and the beautiful cake and decorations that were on display.

Decorated and logo mementos were available for members to take home to remember the event.

year for both regular and associate members. At the end of February both membership groups were above last year's totals. Thank you for your efforts to draw in new members and hope this trend continues.

We need nominations for Area Directors/Board members in Area 3 and 5 this year. We have received at least one nomination for the other odd-numbered areas. Please seriously consider being an Area Director if you are from these areas. We are going to try to have quarterly board meetings this year instead of bi-monthly meetings.

We will be hosting Summer Leadership Conferences in July this year for all local leaders. Our southern workshop will be at Spring Mill State Park on July 22. Our central workshop will be at Fort Harrison on July 23 and the northern workshop will be at Grace College at Winona Lake on July 24. More information will be sent out later this spring. There will not be Fall Workshops this year as we look to alternate each year between Leadership Conferences and Fall Workshops.

It is beginning to feel a little warmer so hopefully that means spring is near. I look forward to seeing you at the Legislative Brunch and Representative Assembly this year.

## Retired Teachers Logging Volunteer Hours

Retired Teachers are volunteering their time to a variety of projects and programs in schools throughout the state. These volunteer hours benefit students, teachers, administrators, and even serve to influence lawmakers towards recognizing the value of retired teachers and protect pensions. Below are just a few of the individuals recognized recently for their efforts.

Huge shout out and thank you to these ladies! They are a group of retired teachers who volunteer their time throughout the year to help our teachers at BES! Thank you all! Your help is greatly appreciated.

Retired teachers from Whitewater Valley are spending time working in the four elementary schools in Franklin County. Retirees not only help in schools, they spend volunteer time with a variety of activities from working in State Parks to committee work with local organizations. During 2018 retirees logged 7,435 hours of volunteer work. These retired teachers enjoy being retired, but they also enjoy the opportunity to stay involved in the community.

# News and Updates

## Legislative Update

Hopefully each week you are catching up on our legislative journey through our podcast titled Indiana EdCast that is on our website at [www.retiredteachers.org](http://www.retiredteachers.org). Regular updates are given throughout the legislative session. The good news at the halfway point of the General Assembly was that the House has put the “13th Check” appropriation into HB 1001, the Budget Bill. I testified and thanked them for including the “13th Check” into the Budget Bill at the Senate Appropriations Committee at the beginning of the second half. I requested that they raise the “13th Check” amount by \$50 across the board. This will be an additional \$2.6 million cost along with the \$21.7 million (the 13th Check amount) for retired educators. The retired public employees’ group (RIPEA) also requested this amount.

Please talk or write to your state senators to encourage them to support the 13th Check and the \$50 increase. The amount of the stipend has not increased since its inception in 1993; we have not had an increase to any pension benefit since 2008. We have lost at least 25% of our purchasing power since 2008. This potential increase will be sustainable when the Pension Supplemental Reserve Accounts funding for any pension benefit increase or “13th Check” begins in 2021.

We are tracking other bills this session that benefit seniors; you can see the updates on our website at [www.retiredteachers.org](http://www.retiredteachers.org). We update this bill tracker every couple of weeks. Here are the bills that are still alive:

**HB 1001 Budget**

**HB 1008 Teacher Career Ladders**

**HB 1059 Survivor Benefits**

**HB 1224 School Intergenerational Safety Pilot Project**

**SB 22 Pension Matters**

**HB 1003 School Expenditure Targets**

**HB 1009 Teacher Residency Grants Pilot Program**

**HB 1139 Pension 13th Check**

**SB 280 Over 65 Property Tax Deduction**

HB 1445, which would have raised the early retirement ages and defaulted all the new educators into the Defined Contribution, was never called for a hearing, so it is dead for the session.

SB 514 was the COLA bill; it was never called for a hearing, so it is dead for this session

Please encourage our members to attend our Legislative Brunch April 9. Buses will be available from the IRTA office parking lot to the State House. The buses will leave at 8:30 from the office return before 12:00. Please call to reserve a seat on a bus and to let us know you are attending so we will have enough food on hand. The toll free number for the office is 1-888-454-9333.

If you cannot attend, contact your legislators to support and increase funding to the “13th Check”. Steve Beebe and I thank you for all your help and support.

## ALERT!

IRTA's Only Endorsed Benefit Group: Association Member Benefits Advisors (AMBA)  
 The Indiana Retired Teachers Association has been made aware that there are insurance agents contacting retired educators in Indiana marketing Medicare supplement plans. In instances, they may say they are with IRTA or AMBA with messages that originate from IRTA. All AMBA representatives wear badges with their picture, name and AMBA logo on them. They usually carry brochures from IRTA and forms that have both the AMBA and IRTA logos.

The Membership Committee is excited to announce the winners in the first round drawing of this year's incentive program. The drawings were held at the end of December. Rita Goss of Putnam County won a \$25.00 gift card for 1-2 members and Bud King of Rush County won a gift card for \$50.00 for 4 new members. But guess what? You still have two chances to be a winner. The incentive program is continuing with future drawings being held at the end of March and June. Sign up any new member, regular or associate, and your name will be entered in the drawing. Just be sure to have your name on the application form. There is a blank entitled, Recommended By on the forms. If your new applicant is signing up online, have them put your name in the Notes portion. Your name will be entered in the drawing for every new member you recruit. So, sign up two new members and double your opportunity to win.
